

BEFORE  
THE PUBLIC SERVICE COMMISSION OF  
SOUTH CAROLINA  
DOCKET NO. 98-389-C - ORDER NO. 1999-327

MAY 12, 1999

IN RE: Application of Communications Billing, Inc.	)	ORDER	✓	AR
for a Certificate of Public Convenience and	)	GRANTING		
Necessity to Operate as a Reseller of	)	CERTIFICATE		
Interexchange Telecommunications Services	)			
and for Alternative Regulation.	)			

This matter comes before the Public Service Commission of South Carolina (the "Commission") by way of the Application of Communications Billing, Inc. ("CBI" or the "Company") requesting a Certificate of Public Convenience and Necessity authorizing it to operate as a reseller of intrastate interexchange telecommunications services in the State of South Carolina. The Company's Application was filed pursuant to S.C. Code Ann. §58-9-280 (Supp. 1998) and the Regulations of the Public Service Commission of South Carolina. By its Application, CBI also requested alternative regulation of its business services offerings identical to that granted to AT&T Communications in Order Nos. 95-1734 and 96-55 in Docket No. 95-661-C.

The Commission's Executive Director instructed CBI to publish, one time, a prepared Notice of Filing in newspapers of general circulation in the affected areas. The purpose of the Notice of Filing was to inform interested parties of Application of CBI and of the manner and time in which to file the appropriate pleadings for participation in the

proceeding. CBI complied with this instruction and provided the Commission with proof of publication of the Notice of Filing. No Petitions to Intervene or Protests were filed.

A hearing was convened on April 14, 1999, at 10:30 a.m. in the Commission's Hearing Room at 101 Executive Center Drive, Columbia, South Carolina. The Honorable Philip T. Bradley, Chairman, presided. CBI was represented by John J. Pringle, Jr., Esquire. Florence P. Belser, Staff Counsel, represented the Commission Staff.

Mark Little, Vice President of Operations for CBI, appeared and testified in support of the Application. The record reveals that CBI is an Ohio corporation which is registered to transact business in South Carolina as a foreign corporation. According to Mr. Little, CBI is a reseller of interexchange telecommunications services currently utilizing the interexchange carrier services of Cable & Wireless, WiTel, other certified IXC's, and local exchange telephone companies ("LECs"). CBI's services include "MTS, out-WATS, in-WATS, prepaid debit card and calling card services. Mr. Little explained the Company's request for authority and the record reveals the Company's services, operations, and marketing procedures.

Mr. Little also discussed CBI's technical, financial, and managerial resources to provide the services for which it seeks authority to provide. Finally, Mr. Little testified that CBI will operate in accordance with Commission rules, regulations, guidelines, and Commission Orders.

Mr. Little also offered that approval of CBI's application would serve the public interest by creating greater competition in the interexchange marketplace and will

provide consumers with a greater choice of billing options and long distance services thereby promoting more efficient use of the underlying networks.

After full consideration of the applicable law, the Company's Application, and the evidence presented at the hearing, the Commission hereby issues its findings of fact and conclusions of law:

### **FINDINGS OF FACT**

1. CBI is organized as a corporation under the laws of the State of Ohio and is authorized to do business as a foreign corporation in the State of South Carolina by the Secretary of State.

2. CBI operates as a non-facilities based reseller of interexchange services and wishes to provide its services in South Carolina.

3. CBI has the experience, capability, and financial resources to provide the services as described in its Application.

### **CONCLUSIONS OF LAW**

1. Based on the above findings of fact, the Commission determines that a Certificate of Public Convenience and Necessity should be granted to CBI to provide intrastate interLATA service and to originate and terminate toll traffic within the same LATA, as set forth herein, through its own facilities and through the resale of intrastate Wide Area Telecommunications Services (WATS), Message Telecommunications Service (MTS), Foreign Exchange Service, Private Line Service, or any other services authorized for resale by tariffs of carriers approved by the Commission.

2. The Commission adopts a rate design for CBI for its resale of residential services which includes only maximum rate levels for each tariff charge. A rate structure incorporating maximum rate levels with the flexibility for adjustment below the maximum rate levels has been previously adopted by the Commission. In Re: Application of GTE Sprint Communications Corporation, etc., Order No. 84-622, issued in Docket No. 84-10-C (August 2, 1984).

3. CBI shall not adjust its residential rates below the approved maximum level without notice to the Commission and to the public. CBI shall file its proposed rate changes, publish its notice of such changes, and file affidavits of publication with the Commission two weeks prior to the effective date of the changes. However, the public notice requirement is waived, and therefore not required, for reductions below the maximum cap in instances which do not affect the general body of subscribers or do not constitute a general rate reduction. In Re: Application of GTE Sprint Communications, etc., Order No. 93-638, issued in Docket No. 84-10-C (July 16, 1993). Any proposed increase in the maximum rate level for residential services reflected in the tariff which would be applicable to the general body of the Company's subscribers shall constitute a general ratemaking proceeding and will be treated in accordance with the notice and hearing provisions of S.C. Code Ann. §58-9-540 (Supp. 1997).

4. With respect to CBI's business service offerings including credit card services, operator services, and customer network offerings, the Commission adopts a relaxed regulatory scheme identical to that granted to AT&T Communications in Order Nos. 95-1734 and 96-55 in Docket No. 95-661-C. Under this relaxed regulatory scheme,

tariff filings for business services shall be presumed valid upon filing. The Commission will have seven (7) days in which to institute an investigation of any tariff filing. If the Commission institutes an investigation of a particular tariff filing within the seven days, the tariff filing will then be suspended until further Order of the Commission. Any relaxation in the future reporting requirements that may be adopted for AT&T shall apply to CBI also.

5. If it has not already done so by the date of issuance of this Order, CBI shall file its revised tariff and an accompanying price list within thirty (30) days of receipt of this Order. The revised tariff shall be consistent with the findings of this Order and shall be consistent with the Commission's Rules and Regulations.

6. CBI is subject to access charges pursuant to Commission Order No. 86-584, in which the Commission determined that for access purposes resellers and facilities-based interexchange carriers should be treated similarly.

7. With regard to the Company's resale of service, an end-user should be able to access another interexchange carrier or operator service provider if the end-user so desires.

8. CBI shall resell the services of only those interexchange carriers or LECs authorized to do business in South Carolina by this Commission. If CBI changes underlying carriers, it shall notify the Commission in writing.

9. With regard to the origination and termination of toll calls within the same LATA, CBI shall comply with the terms of Order No. 93-462, Order Approving

Stipulation and Agreement, in Docket Nos. 92-182-C, 92-183-C, and 92-200-C (June 3, 1993).

10. CBI shall file surveillance reports on a calendar or fiscal year basis with the Commission as required by Order No. 88-178 in Docket No. 87-483-C. The proper form for these reports is indicated on Attachment A.

11. The Company shall, in compliance with Commission regulations, designate and maintain an authorized utility representative who is prepared to discuss, on a regulatory level, customer relations (complaint) matters, engineering operations, tests and repairs. In addition, the Company shall provide to the Commission in writing the name of the authorized representative to be contacted in connection with general management duties as well as emergencies which occur during non-office hours. CBI shall file the names, addresses and telephone numbers of these representatives with the Commission within thirty (30) days of receipt of this Order. Attachment B shall be utilized for the provision of this information to the Commission. Further, the Company shall promptly notify the Commission in writing if the representatives are replaced.

12. The Company is directed to comply with all Rules and Regulations of the Commission, unless a regulation is specifically waived by the Commission.

13. As a condition of offering prepaid long distance services, the Commission requires the Company to post with the Commission a bond in the form of a Certificate of Deposit worth \$5,000 drawn in the name of the Public Service Commission of South Carolina or a surety bond in the amount of \$5,000 which is payable to the Commission. The Certificate of Deposit shall be drawn on federal or state chartered banks or savings

and loan associations which maintain an office in this state and whose accounts are insured by either the FDIC or the Federal Savings and Loan Insurance Corporation. A surety bond shall be issued by a duly licensed bonding or insurance company authorized to do business in South Carolina. This condition of a bond may be reviewed in one year.

14. This Order shall remain in full force and effect until further Order of the Commission.
